Description: During the 1970s, comics legend Jack King Kirby returned to the House of Ideas with perhaps his biggest idea of all: the universe of the Eternals! Their creation was the result of Kirby's ceaseless curiosity about the origin of man and his mythologies - but like many of the King's concepts, it was definitely ahead of its time. Flash forward to 2006:...

Review: I read this after reading the original Jack Kirby Eternals series from the seventies, and I understood what was happening, but if you're new to the Eternals this might just be a bit too weird at the start. I think there'd be a lot to like if you can get into the story, although I do find the premise a bit unoriginal. Between DC's new gods and Marvel's own Asgardians...
